Solar

Crystalline (mono and poly) modules (numerous manufacturers)

- Roof mount (Ballasted or penetrated)
- Ground mount
- Sun shades

Solyndra (cylindrical PV)

- Roof mounted, self ballasting, only 3.3 lb/sqft
- Most efficient, collecting light 360 degrees

Thin film laminates (Uni-solar)

- Adheres directly to roofing membrane and metal roofs
- Severe hail rated
- Low profile and 1 lb/sqft

Why Use Douglass Colony Group?

- Douglass Colony Group provides seamless turnkey photovoltaic installs with our expert electricians and solar installers
- All installed systems allow you to maintain your existing manufacturer warranty
- Douglass Colony Group works with clients to utilize all existing government and utility rebates
- Douglass Colony Group houses multiple certified LEED AP individuals on staff that keep up-to-date with growing and changing "green" technologies
